DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 3-6 and 19-21 are allowed.

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance:

The references of record do not teach either singularly or in combination at least the limitations "a chip mounting member having opposite first and second surfaces, a set of first circuit traces and a plurality of plated through holes that extend through said first and second surfaces", "a first dielectric tape member for bonding adhesively said first semiconductor chip on said chip-mounting-member, a first conductor unit for connecting electrically said contact pads of said first semiconductor chip and said first circuit traces", "said first conductor unit includes a plurality of conductive contact balls that are disposed within said holes in said first dielectric tape member to establish electrical connection between said contact pads of said first semiconductor chip and said first circuit traces" and "a plurality of solder balls solder balls disposed on one of the first and second surfaces of said chip-mounting member, each of said solder balls being aligned with and being connected to a respective one of said plated through holes in said chip-mounting member" in a single chip module, a stacked module or a module having two chips assembled on opposite surfaces of the chip-mounting member.
